[Affiliated to Rani Channamma University Belagavi, Code:5245]

MINAJAGI CROSS, TALIKOTI – 586214

Taluka: Talikoti

District: Vijayapur

Facilities Available at Our College

As an educational institution dedicated to preparing future educators, our Bachelor of Education (B.Ed.) college is committed to providing comprehensive facilities that promote academic excellence, personal growth, and professional development. Below is a detailed list of the facilities available at our institution, ensuring that our students receive a well-rounded education:

1. Well-equipped Classrooms

We provide spacious and comfortable classrooms that foster a conducive learning environment. Each classroom is well-ventilated and designed to accommodate a manageable number of students to encourage interaction and collaboration.

Additionally, we have integrated **smart classrooms** equipped with projectors, smart boards, and internet access. This facilitates interactive teaching and learning processes, allowing both students and teachers to incorporate multimedia and digital resources into their lessons.

2. Library and Resource Center

Our college houses a well-stocked library that serves as a knowledge hub for both students and faculty members. The library contains an extensive collection of textbooks, reference books, and academic journals, spanning subjects like education, pedagogy, psychology, and general studies.

We also provide access to **digital resources and academic databases** such as JSTOR, Google Scholar, and other platforms that offer e-books, research papers, and articles. The library includes designated reading rooms and study spaces, ensuring that students can focus on independent or group studies without disturbances.

3. Laboratories and Workshops

To complement theoretical learning, we offer various specialized laboratories that help students gain hands-on experience:

- **Psychology Lab:** Equipped with tools like intelligence tests, personality assessments, and aptitude tests, this lab allows students to explore educational psychology in a practical setting.

- **Language Lab:** This lab aids in improving communication and language skills, especially for students specializing in language teaching. It uses audio-visual aids to enhance pronunciation, listening skills, and overall language comprehension.
- **Science and Mathematics Labs:** Our science and math labs provide essential equipment and resources to conduct experiments and demonstrations. This fosters an understanding of teaching science and math subjects through practical methods.
- **ICT and Computer Lab:** In recognition of the growing importance of technology in education, we offer a fully functional ICT lab. It includes computers, internet access, printers, and educational software, preparing students to integrate technology into their teaching practices.

4. Seminar Halls and Conference Rooms

We have a multi-purpose **seminar hall** equipped with modern audio-visual aids for hosting guest lectures, workshops, and seminars. The hall provides a space for knowledge exchange, fostering interaction between students and industry experts or guest educators.

Additionally, we have several **conference rooms** that can be used for smaller group discussions, faculty meetings, and student-teacher interactions, encouraging collaboration and the free exchange of ideas.

5. Faculty Rooms and Staff Offices

Our faculty members are provided with comfortable workspaces in the **faculty lounge**. These spaces are designed to facilitate lesson planning, research, and academic work. Each faculty room is equipped with computers, printers, and other necessary resources.

In addition to the faculty workspaces, we offer designated **consultation areas** where students can meet with their professors for mentoring, academic support, or guidance on assignments.

6. Hostel Facilities

To accommodate students from different regions, we offer **separate hostel facilities** for male and female students. These hostels are secure, well-maintained, and fully furnished, providing a safe and comfortable living environment for students.

The hostels include **common areas** for recreational activities and **study rooms** for students who wish to collaborate on projects or prepare for exams in a quiet space. The mess facility provides nutritious and hygienic meals, ensuring the well-being of our students.

7. Canteen and Cafeteria

The **canteen and cafeteria** on our campus offer a variety of meals and snacks at affordable prices. It provides a comfortable environment for students and staff to relax and enjoy healthy food options. The canteen maintains high standards of cleanliness and hygiene.

8. Sports and Recreational Facilities

Recognizing the importance of physical fitness and extracurricular activities, our college offers extensive **sports and recreational facilities**. Students can participate in outdoor sports such as cricket, football, and basketball, as well as indoor games like table tennis, chess, and carrom.

We also have a fully equipped **gymnasium**, promoting physical fitness, and a dedicated **yoga and meditation center**, which offers students and faculty members a space to practice mindfulness and manage stress.

9. Medical and Counseling Services

We provide access to an on-campus **medical clinic** where students can receive basic healthcare services and first aid. Our **counseling services** support students' mental and emotional well-being, offering personal counseling, academic guidance, and career advice.

10. Auditorium

We are proud to have a large **auditorium** for hosting cultural events, academic conferences, graduation ceremonies, and other significant events. It is equipped with modern sound systems and seating capacity for a large audience.

11. Wi-Fi and Internet Connectivity

In today's digital age, access to reliable internet is crucial. Our entire campus is equipped with **high-speed Wi-Fi**, allowing students and faculty to stay connected, access learning resources online, and collaborate effectively.

12. Transport Facilities

For the convenience of our students and faculty, we offer **transport services** with buses that cover key routes in and around the city. This ensures that students from distant areas have safe and reliable transportation to and from campus.

13. Multipurpose Hall

The **multipurpose hall** in our college serves as a versatile space for indoor sports, cultural activities, and special events. This space encourages participation in extracurricular activities, ensuring a balanced student life.

14. Alumni Association and Placement Cell

Our **Alumni Association** keeps former students connected with the institution and provides networking opportunities for current students. The **Placement Cell** is dedicated to supporting students in finding teaching positions, providing career guidance, organizing campus recruitment, and preparing students for job interviews.

15. Gardens and Open Spaces

Our campus includes well-maintained **gardens and open spaces**, offering students a serene and peaceful environment. These green areas provide a space for relaxation, outdoor study, and recreational activities.
